Biosketch

Dr. Marianne R. Jeffreys' grant-funded research, consultations, publications, and professional presentations encompass the topics of cultural competence, nontraditional students, student retention and achievement, self-efficacy, teaching, curriculum and psychometrics. Her book, *Teaching Cultural Competence in Nursing and Health Care: Inquiry, Action, and Innovation* received the AJN Book of the Year Award; she is also author of *Nursing Student Retention: Understanding the Process and Making a Difference*, articles, and book chapters. Her conceptual models and questionnaires have been requested worldwide and in various disciplines. She is currently a professor of nursing at the City University of New York College of Staten Island.

Dr. Jeffreys received a B.S. in nursing from the State University of New York College at Plattsburgh and a M.A., M.Ed., and Ed.D. in nursing education from Teachers College, Columbia University. She has been inducted into the *Kappa Delta Pi International Honor Society in Education*, *Sigma Theta Tau International Honor Society in Nursing*, *Transcultural Nursing Society Scholars*, and *Teachers College NEAA Hall of Fame*. Her awards include the international *Leininger Award* for Excellence in Transcultural Nursing, Teachers College Columbia University's Award for Scholarship and Research, and the Mu Upsilon Chapter of Sigma Theta Tau Excellence in Professional Nursing Award. Her expertise has been requested for grant-funded projects (HRSA, Kellogg), as well as for institutional and departmental workshops.
