**The Cultural Competence Education Resource Toolkit**  
**ISBN 9780826119933**

This toolkit consists of three sets of tools and a total of 21 distinct tools. The three sets of tools are: Resources for Academic Settings; Resources for Health Care Institutions; and Resources for Professional Associations. Taken together, the tools provide a comprehensive set of materials for planning, implementing, and evaluating cultural competence education strategies and programs. These tools may be used alone or in conjunction with other tools and will be of use to a broad range of readers at all levels: nurses, educators, administrators, association leaders, managers, researchers, students, and other health care providers. The tools and this book will enable you to achieve optimal cultural competence.

**Fees for Use:**

Any use of the toolkit or portions of the toolkit beyond individual, personal use (such as within an institutional setting and/or in a research study) will require purchase of a license. See below.
